

Vocal Scholarship Years 7, 8 and 9 2024 Application

Please complete all parts of this application and submit to the Performing Arts Office by **4pm MONDAY 19 FEBRUARY 2024**. We will use this application to determine your commitment to further develop your musical skills, and in addition, outline your present and future involvement in the College's choirs. Be thorough and genuine in your responses.

We appreciate you taking the time to complete this application. Your contribution and desire to be part of the department is valued.

The Scholarship

The Vocal Scholarship is a financial bursary for students in Year 7, Year 8 and Year 9 which will partially cover the cost of private peripatetic tuition for one year. Aimed at students who are committed and enthusiastic about developing their musical skills, the scholarships available will be awarded to those students who have a keen interest in being part of the St Brigid's/Mazenod Choir and/or the Mazenod Mass Choir. Participation in other music ensemble groups will also be considered favourably in the selection process for the scholarship.

Although this scholarship is for one year future scholarships will be available and past recipients will be strong contenders to continue with this scholarship providing they remain enrolled at the College and committed to a College choir.

The Process

On submission of this application a list of candidates will be created from information supplied and observations made by the Mazenod staff. Each short-listed student will be invited to a formal interview in Week 5 of Term 1.

Successful applicants will be informed by February 28.

The Successful Applicants

It is expected that any candidate who accepts this bursary commits to a full year's tuition. This also means attendance at all scheduled lessons whilst striving for personal excellence. Should a student not meet these requirements, consideration by the Head of Department will be taken as to whether the scholarship is continued.
