

MAZENOD

Junior Football Club INC

Club History

Established in 1974 the Mazenod Junior Football Club Inc (MJFC) is a non profit incorporated club, providing the opportunity for students who attend Mazenod College to play AFL with their schoolmates in a weekend competition within the Swan Districts and/or Central Conference competitions.

Our club is financially independent from the College, however they assist us with access to the Mazenod College Oval for training and game day, change room and gym facilities throughout the season for which we are truly grateful.

Club Values

Our club embraces the College's ethos/values and strives to display these during training and game day competition. The strong culture created both at the club and the college can be seen by the high number of "Old Boys" that are currently serving members of the Mazenod Junior Football Club Committee.
