

18 March 2022

COVID-19 UPDATE: TERM 1, WEEK 7

Welcome to the update for Week 7

In updating our community for this week, I can inform you that 14 positive cases have been reported to the College from Monday 14 March 2022, to 12.00pm Friday, 18 March 2022. These positive cases and associated close contacts are now isolating as per WA Health requirements.

Please rest assured that we will communicate directly with those members of our community who are identified as a close contact to a confirmed COVID-19 positive case.

Self-Reporting Form -Procedure Reminder

Thank you for using the new notification of close contact or COVID positive status via the Self-Reporting Form. Here is a reminder for what to do:

The steps to take for notification of close contact or COVID positive status:

- ❖ **Step 1** Provide information to principal1@mazenod.wa.edu.au
 - A. the COVID status if your son is a close contact including last date of contact with a positive case, or
 - B. the confirmation date of the positive test, test type (RAT or PCR) and date/time of first symptoms experienced if your son is COVID positive.
- ❖ **Step 2** Complete the new Self-Reporting form (listed below) for COVID positive cases and report negative results as a close contact. Parents and caregivers can now inform the school of their child's positive or negative COVID result via this [LINK](#). The information will go directly to the principal, prompting our COVID response. The link is also available on the Mazenod College website under the COVID icon on the landing page www.mazenod.wa.edu.au It can also be accessed on SEQTA.

Thank you for your understanding as we take the necessary steps to keep our College community safe. As always, please do not hesitate to contact me at the College if you have any queries. If you have health concerns, please contact WA Health on 1300 316 555 or at PHOpsClinical@health.wa.gov.au

Yours sincerely

Andrew Watson
Principal
