Dear Parents

Mazenod College is pleased to offer various payment options to our parents.

For parents looking for alternative payment arrangements (monthly, fortnightly or weekly payments over 12 months or longer), we can now make available to parents another option.

Edstart offers an easy, flexible and low-cost way for you to pay for your child's education over a timeframe that suits your family budget.

With Edstart, you can fund your tuition fees, additional charges such as uniforms, school camps, club sport, extra-curricular activities, as well as textbooks and amounts in arrears.

You can calculate your repayment amount by selecting the school name and the year levels of your children. The calculator already includes the tuition fee and sibling discounts.

You can apply at any time of the year and complete an application within minutes. Once approved, Edstart will pay the school in monthly instalments or on the four term instalment dates and you will make regular monthly, fortnightly or weekly payments to Edstart.

Please note, in providing information about Edstart, we do not provide any recommendations, brokering or advice services. We do not receive referral fees, commissions or other remuneration from Edstart.
