

# DEFINED REMOTE AREA OF WESTERN AUSTRALIA

## The remote area of Western Australia is defined as:

All that portion of Western Australia not included in the South West Land Division nor that area south of the 30th degree parallel south latitude and west of the 123rd meridian. This also includes the area further than 80km radius from Esperance bounded on the northern side by a line drawn in a north-east direction from Esperance, on the eastern side by the 123rd meridian and on the southern side by the coast.
